Duties and Responsibilities

Working within the framework of the values, belief and practices of Churches in Croxley Green CIO and NMC Code and Standards and in conjunction with the CIO Trustees, line manager and fellow Parish Nurse, the post-holder will :

- In conjunction with the Acute Parish Nurse, effectively manage the resources of the Parish Nursing Service including any financial resources made available by Churches in Croxley Green CIO.
- Deliver a range of assessed, planned and evaluated health promoting prevention and maintenance interventions to individuals and/or groups.
- Act as a mental health resource and system navigator and sign poster for service users
